

# Who We Are

EOS COLLECTIVE is a group of artists of Christian faith. They come alongside churches to support them in their evangelistic outreach to their communities. They use the Creative Arts and the imagination as a bridge to share the Good News to the people of Wales.

EOS is the Welsh name for the Nightingale. The bird's uniqueness is that it sings in the night as well as the day.

Some of us are supported financially by our local churches, charities, trusts and individuals, whilst other artists are volunteers. We endeavour to offer our services free of charge or at the lowest possible cost. But we would welcome any donations to sustain this ministry!
